

# 16.25 ELM TREE

BOCCI

MANUFACTURER

**Bocci**

ORIGIN

**Canada**

PRODUCTION

**Made to Order**

WEIGHT

**423 lbs.**

DISCLAIMER

Installation of these trees is complex and Bocci recommends a structural consultant to assess the viability of the system in the context in which it is to be installed. Installation requires anchoring into either an existing structural slab or a newly built foundation to meet the specifications of the design drawings, including appropriate drainage if exposed to water and remotely mounted LED drivers.

MATERIALS

Pour glass, matte black rubberized stainless steel armature, electrical components, matte black canopy.

DIMENSIONS

**Base: Dia. 10"**

**Height: 156"**

ILLUMINATION

**LED**
