MANUFACTURER

Bocci

ORIGIN

Canada

PRODUCTION

Made to Order

WEIGHT

89 lbs

DISCLAIMER

Unless otherwise noted when ordering, all chandeliers will be outfitted to be xenon compatible. As an alternative to the junction box power supply, Bocci recommends mounting power supplies remotely in an easily accessible and hidden location for ease of long-term maintenance. Due to the hand crafted nature of the 73 series, the pendant size as well as color depth and tonality will vary. Please note that the shortest and longest lengths must be provided and are recommended to be at least 30 (750mm) apart to create an optimum cascade. Bocci will create a random selection of lengths throughout the minimum and maximum range provided.

MATERIALS

Blown glass, braided metal coaxial cable, electrical components and brushed nickel canopy.

DIMENSIONS

Standard size pendant: 10.5" - 12"

Oversized pendant: 15.75"
