CARE  
For polished nickel, use a lightly damp soft dust cloth and gently go over marks until clean.  
For polished brass, as this item is unlacquered, it naturally oxidises (darkens). Upon touching the items without gloves, finger prints are likely to occur and leave marks. Use a good quality brass cleaning liquid and white cotton gloves provided. Carefully use a lightly damp soft dust cloth and gently go over marks until clean. Dry after with a soft dust cloth.
