2018

## WEIGHT

75lbs

## MATERIALS

California Juniper (*Juniperus Californica*). Stoneware, wood fired with cottonwood.

## DIMENSIONS

L 38" x W 23" x H 28"

## CARE

Each composition is unique and will greatly benefit from a seasonal regiment of specialized care and maintenance. These pieces will require:

- Daily Watering - The environment in which the work lives will determine frequency. This routine will shift with changes in climate/sun exposure.
- Seasonal maintenance such as pruning, repotting, and fertilization.
- Styling (wiring of branches) is also advised to optimize the tree's overall health and to continue the development of the initial design.
