## UPHOLSTERY REQUIREMENTS

Please note that when using Elmorustical leather to upholster the expansive surface of the headboard, De La Espada's craftspeople will use their discretion to ensure the natural variations in the hide's colour and grain are most elegantly displayed. This may mean adding a central stitch line to the headboard.

## MATERIALS/FINISHES

Available in American black walnut, American white oak, or European Ash in a range of finishes, and a range of fabric and leather options. Platform base is an advanced, black dyed wood composite with an oil and wax finish. This panel has holes for air circulation.
