CARE
To ensure your rug stays in pristine condition, consider an anti-stain treatment. In the event of spills or stains, it's recommended to entrust a professional cleaner rather than cleaning it yourself. This will help maintain the rug's quality and extend its lifespan.
With their varying shapes, Atelier Février's rugs are designed with a specific pile thickness and firmness, and their substantial weight helps them stay securely in place. It is at the client's discretion to provide their own rug pad. A rug pad is not included. Import shipping from Nepal, fees, duties and tariffs are not included in the rug price and will be billed separately.
