

TFPBF01

ALEJANDRO BATAILLE

DESIGNER
Alejandro Bataille

ORIGIN
United States

PRODUCTION
One of a Kind

DATE
2024

DISCLAIMER
With its stout caudex for water storage, it is well adapted to arid conditions and thrives with full sun and high temperatures in summer. Although it can tolerate prolonged drought, it benefits from ample watering in the summer. In autumn, when temperatures drop, it naturally becomes dormant and may drop its leaves

MATERIALS
Bursera Fagaroides

DIMENSIONS
Base: W 8" x L 4"
Plant: L 21"
Total Height: 23"
