

TFPBT01

ALEJANDRO BATAILLE

DESIGNER
Alejandro Bataille

ORIGIN
United States

PRODUCTION
One of a Kind

DATE
2024

DISCLAIMER
The species prefers full sun, withstands reflected heat, and grows best in well-draining soils that are not rocky. This tree is drought-resistant but needs occasional, deep irrigation during the warmer weather. Water once a week.

MATERIALS
Brachychiton Rupestris

DIMENSIONS
Base: W 6" x L 11"
Plant: L 12"
Total Height: 24"
