ALEJANDRO BATAILLE

DESIGNER

Alejandro Bataille

ORIGIN

United States

PRODUCTION

One of a Kind

DATE

2024

DISCLAIMER

This plant prefers lots of light and some direct sun. This plant is a winter grower and will go semi-dormant in summer, so careful water management is crucial during the dormancy. Water weekly during winter months, and every 10 days during the summer

MATERIALS

Pelargonium Carnosum

DIMENSIONS

Base: W 8" x L 4"

Plant: L 16" x H 10.5"
