

JASON MILLER

In the past 15 years, Jason Miller has emerged as one of the most talented and sought after designer working in the United States. Elevating everyday components of contemporary American culture, Miller produces an innovative, ever-expanding collection of lighting fixtures, furniture, household products, and interior spaces.

A 5x5 grid of 25 images showcasing various modern furniture and lighting designs. The items include pendant lights, wall sconces, sideboards, coffee tables, chairs, and sofas, all featuring clean lines and a mix of materials like wood, metal, and fabric.
