

RAF SIMONS FOR KVADRAT

Born in Belgium in 1968, Simons studied industrial design in Genk. Inspired by the work of designers such as Martin Margiela, he moved to Antwerp, where the head of the Fashion Department at the city's Royal Academy encouraged him to start his own label without further study. Launched in 1995, Raf Simons menswear—informed both by classic tailoring and youth culture—had a huge impact on the style of the decade.
