

ROLL & HILL

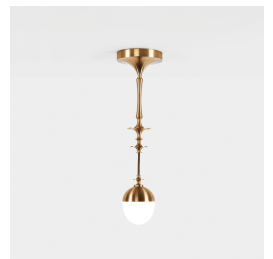

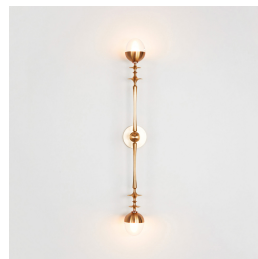

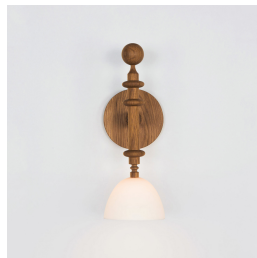

Roll & Hill is a lighting manufacturer known for creating remarkable products with some of the most ingenious young designers working today. Founded in 2010 by Jason Miller, the company was created with the intention of harnessing the talents of independent designers to produce a collection of strikingly unique lighting fixtures. With a boutique, small-batch philosophy, Roll and Hill's headquarters in Sunset Park, Brooklyn, meticulously assembles each piece by hand and many orders are customized upon request by the client.
